Tech Mahindra Week 4 Task- Website Documentation
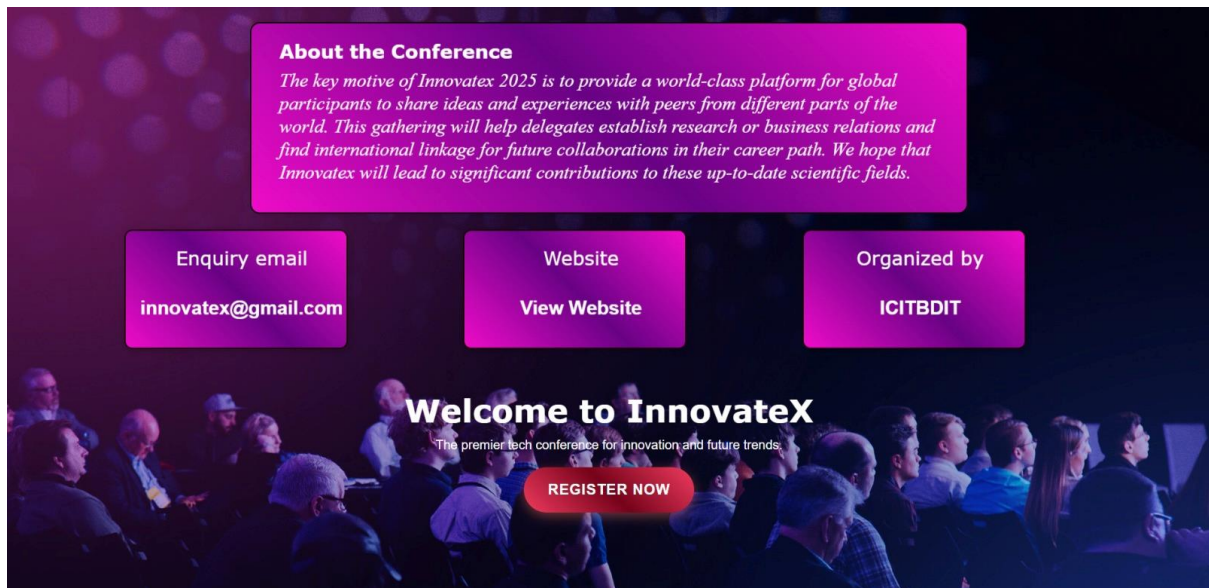

InnovateX - 2025

by Ramya

Home Page

The InnovateX 2025 home page is designed to provide a visually engaging and user-friendly experience. The responsive layout ensures compatibility across all devices, delivering a smooth and interactive experience for users. The sleek dark-themed background enhances readability, while vibrant gradient cards highlight essential event details.

Key Features:

- Real-Time Countdown Timer – Displays the time remaining until the event starts.
- Event Highlights – Showcases crucial details like dates, venue, and sponsorship.
- Bold "Register Now" Button – Encourages quick and easy event registration.

Registration Page

The "Register Now" button on the InnovateX Chennai homepage redirects users to the registration form, allowing them to reserve a slot for the event. Once the user submits their details, they receive an on-screen confirmation. When the user fills in the registration form and clicks the 'Submit' button, the system processes the entered details. If the submission is successful, a confirmation response is triggered.

About Page

The About Page of InnovateX 2025 serves as an informative section that highlights the mission, vision, and target audience of the event. It is designed to provide visitors with a clear understanding of the objectives and significance of the conference. The page is structured with visually appealing elements, ensuring ease of readability and engagement.

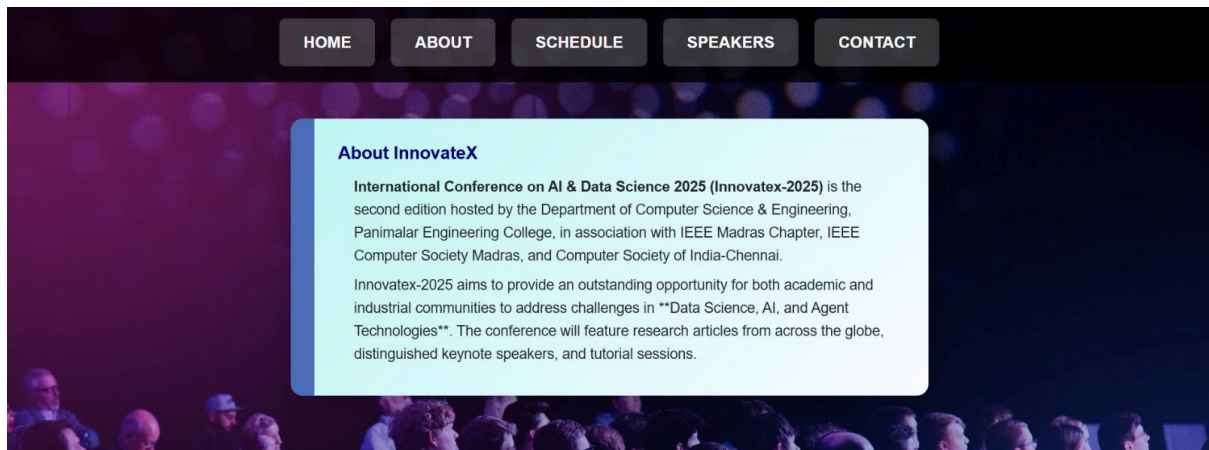

- Mission-Driven – Focuses on leadership, innovation, ethics, and research.
- Diverse Audience – Welcomes developers, entrepreneurs, researchers, and students.
- Engaging Format – Well-structured content with clear visuals and icons.
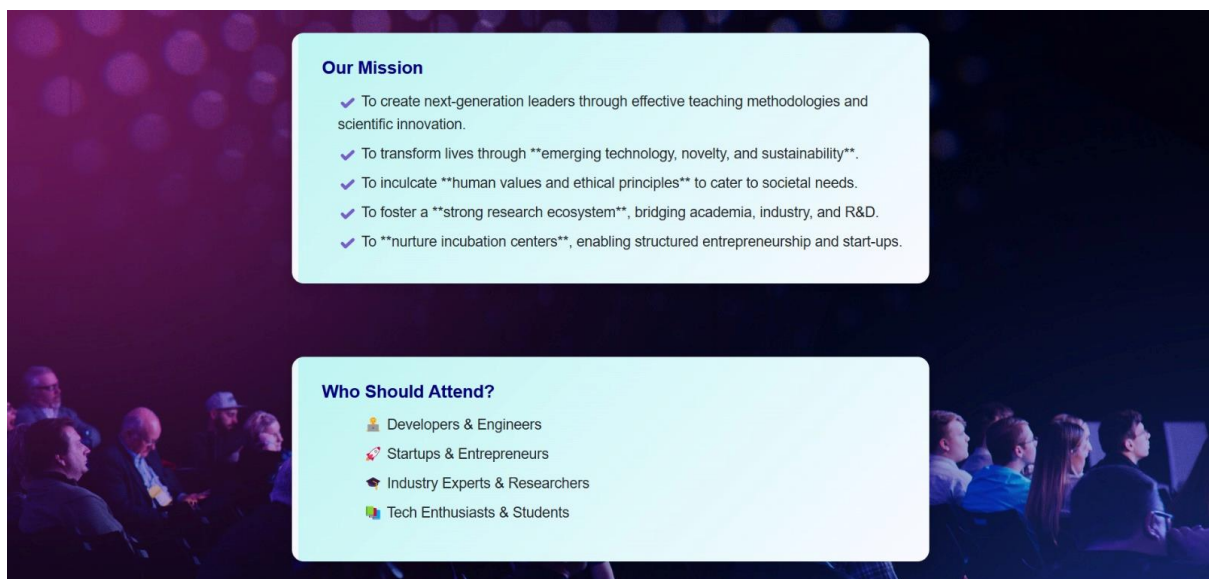

Schedule Page

InnovateX 2025 brings together visionary speakers, industry experts, and thought leaders who are driving change in technology, AI, blockchain, sustainability, and cybersecurity. From inspiring keynotes to engaging panel discussions, these experts will share groundbreaking insights, innovative trends, and future possibilities that shape industries worldwide.

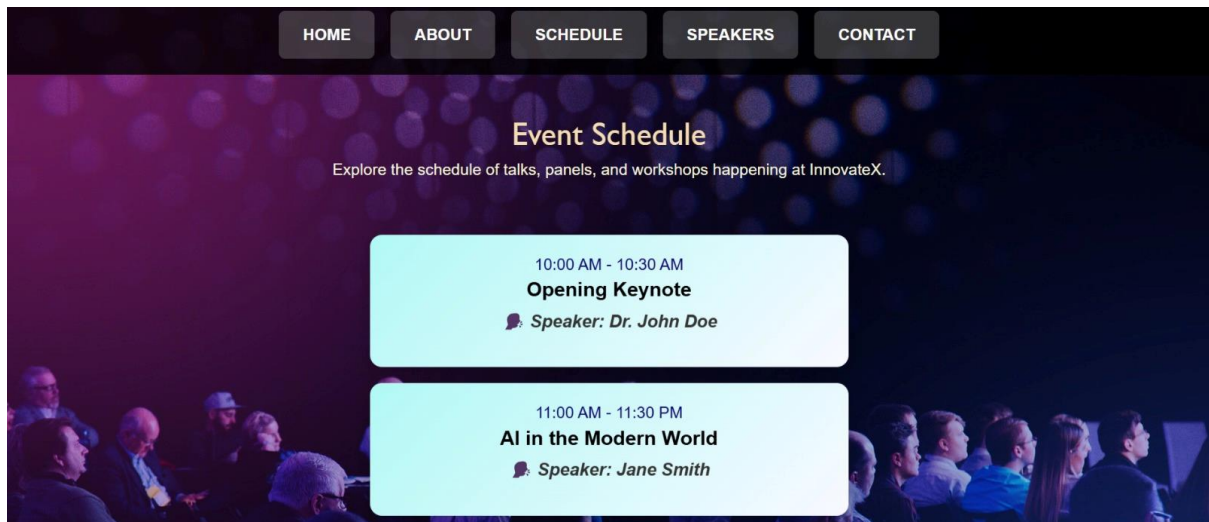

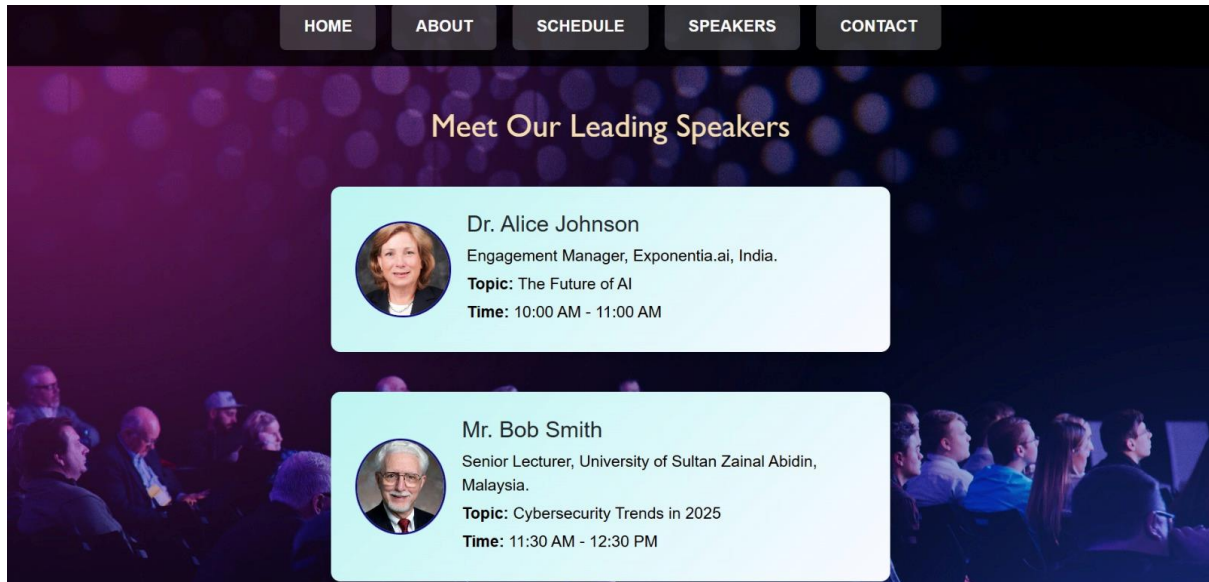

Key Features:

- Expert Keynote Speakers – Learn from renowned professionals shaping the future.
- Diverse Topics – Covers AI, blockchain, sustainability, cybersecurity, and more.
- Interactive Sessions – Engage in Q&A and discussions with experts.
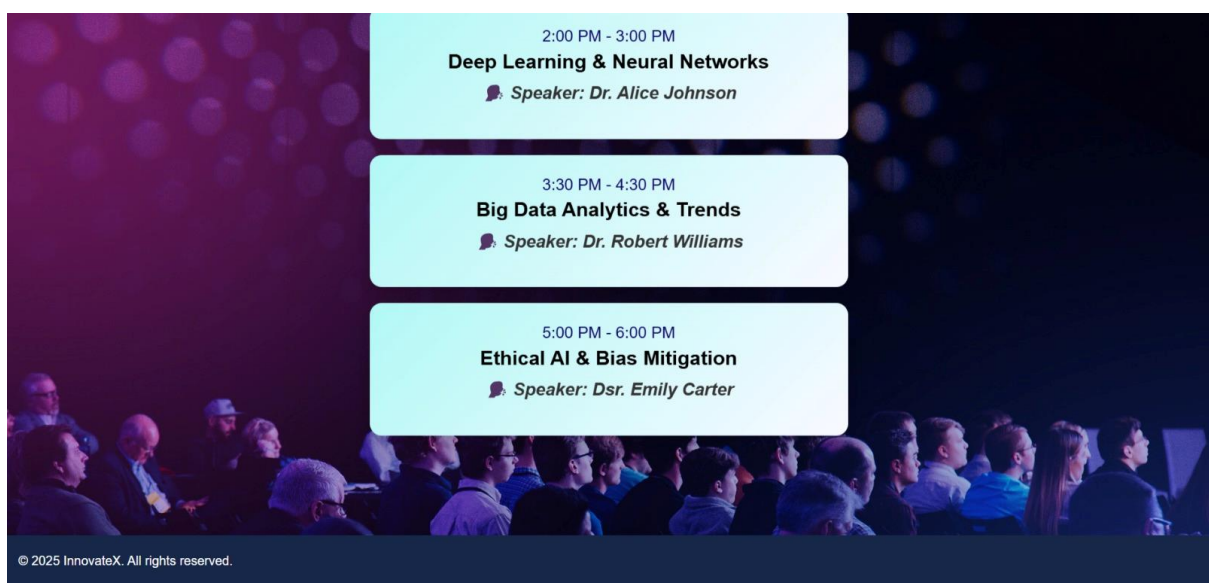

Speaker's Page

The Speakers section of the InnovateX 2025 website showcases the leading experts participating in the event. This section provides attendees with insights into the speakers' backgrounds, topics, and schedules.

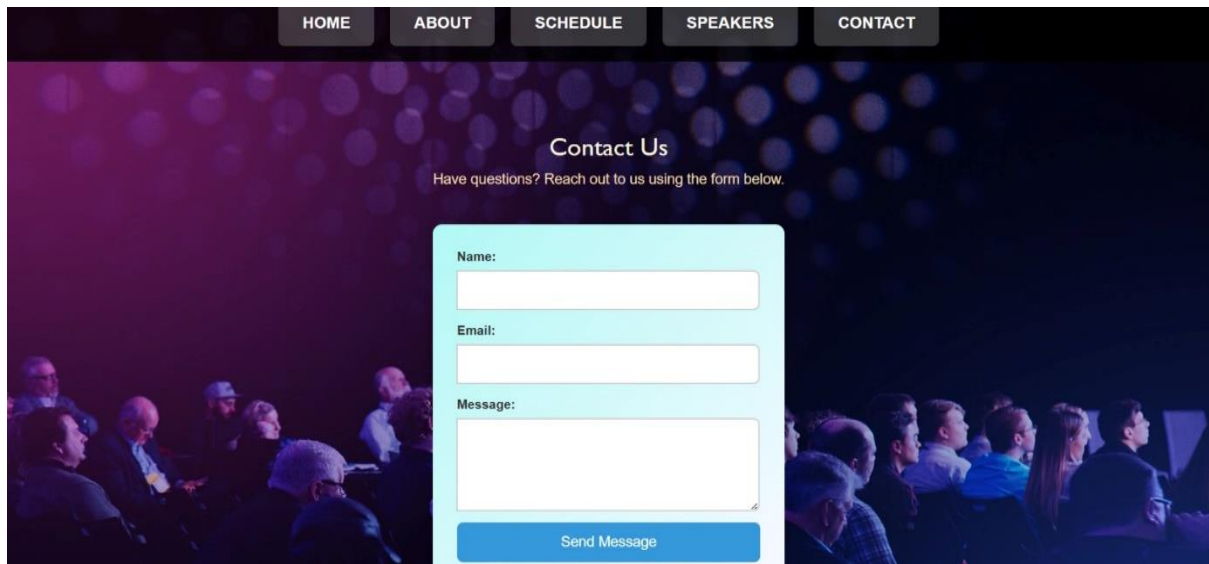

Key Features:

- Highlighted Speakers – Displays details of industry leaders, including their roles and expertise.
- Session Details – Each speaker card includes their topic and scheduled time.
- Professional Design – Clear speaker cards with profile images and a modern, engaging background.
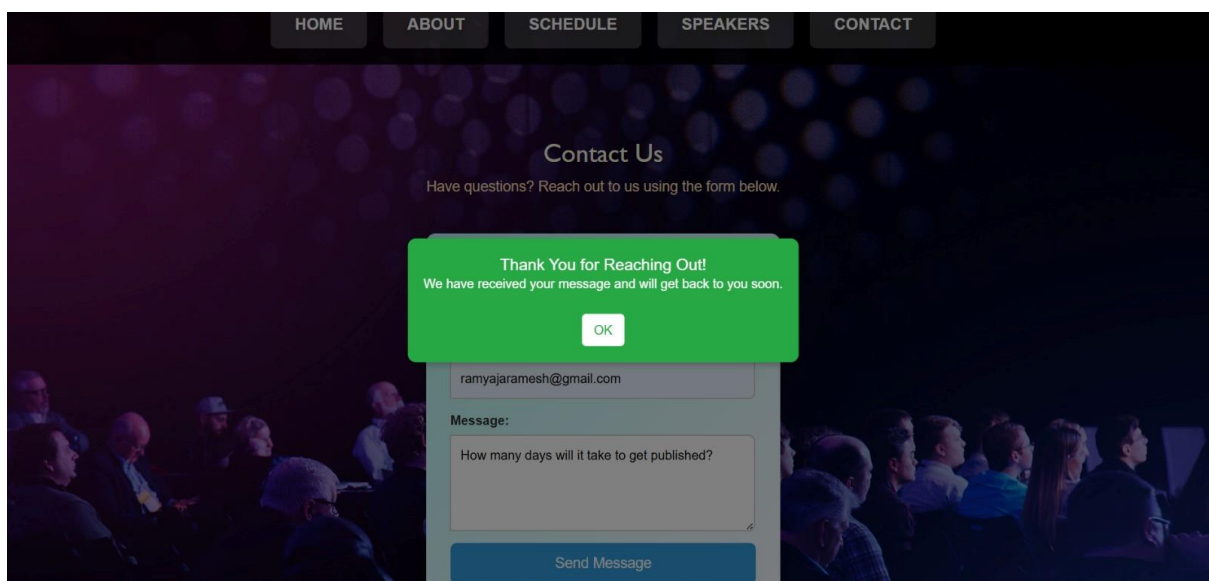

Contact Page

The Contact Us section of the InnovateX 2025 website provides an easy way for attendees, speakers, and partners to reach out with inquiries. Whether you have questions about the event, need assistance, or want to collaborate, this form allows for direct communication with the event organizers.

Key Features:

- User-Friendly Form – Simple input fields for name, email, and message.
- Professional Design – Clean, modern UI with a vibrant background.
- Quick Inquiry Submission – Directly connects users with the organizing team.
